Hello, I'm
Prathmesh Marathe

Web Developer | Programmer | Problem Solver

Download Resume

About Me

I'm a passionate engineering graduate with a strong foundation in problem-solving and web development. My journey in engineering has been driven by curiosity and a desire to create solutions that make a real impact.

Throughout my academic career, I've developed expertise in various engineering disciplines and technologies like DSA, Web Development, Machine Learning. I thrive in collaborative environments and am always eager to learn new skills and take on challenging projects.

My approach combines technical excellence with creative thinking, allowing me to tackle complex problems from multiple angles. I believe in continuous learning and staying updated with the latest industry trends and technologies.

Technical Skills
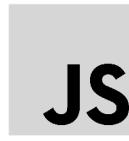

|			
C / C++	Java	Python	JavaScript
HTML	CSS	Node.js	
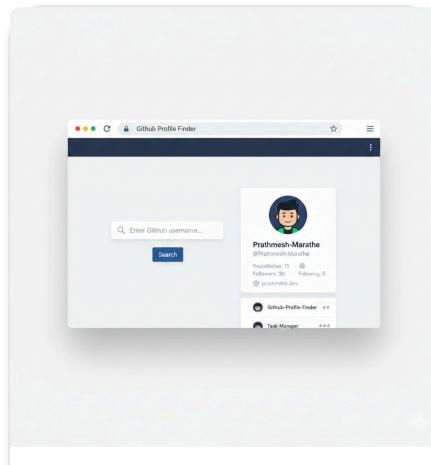

Projects
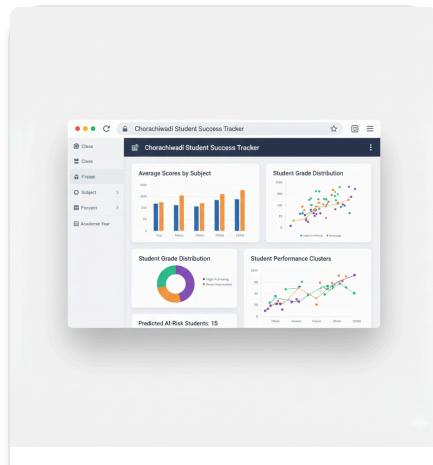

GitHub Profile Finder

A web app that fetches and displays GitHub user profiles using the GitHub REST API with real-time data.

HTML   CSS

JavaScript

GitHub API   AJAX
